Columbus Day - a History

One of the first known celebrations marking the discovery of the “*New World*” by *Christopher Columbus* was in 1792. A ceremony organized by the Columbian Order was held in New York City honoring *Christopher Columbus* and the 300th anniversary of his landing in the Bahamas. Then on October 12, 1866 the Italian population of New York organized the first celebration of the discovery of “*America*”. Three years later, in 1869, Italians in San Francisco celebrated on October 12th, calling it C-Day.

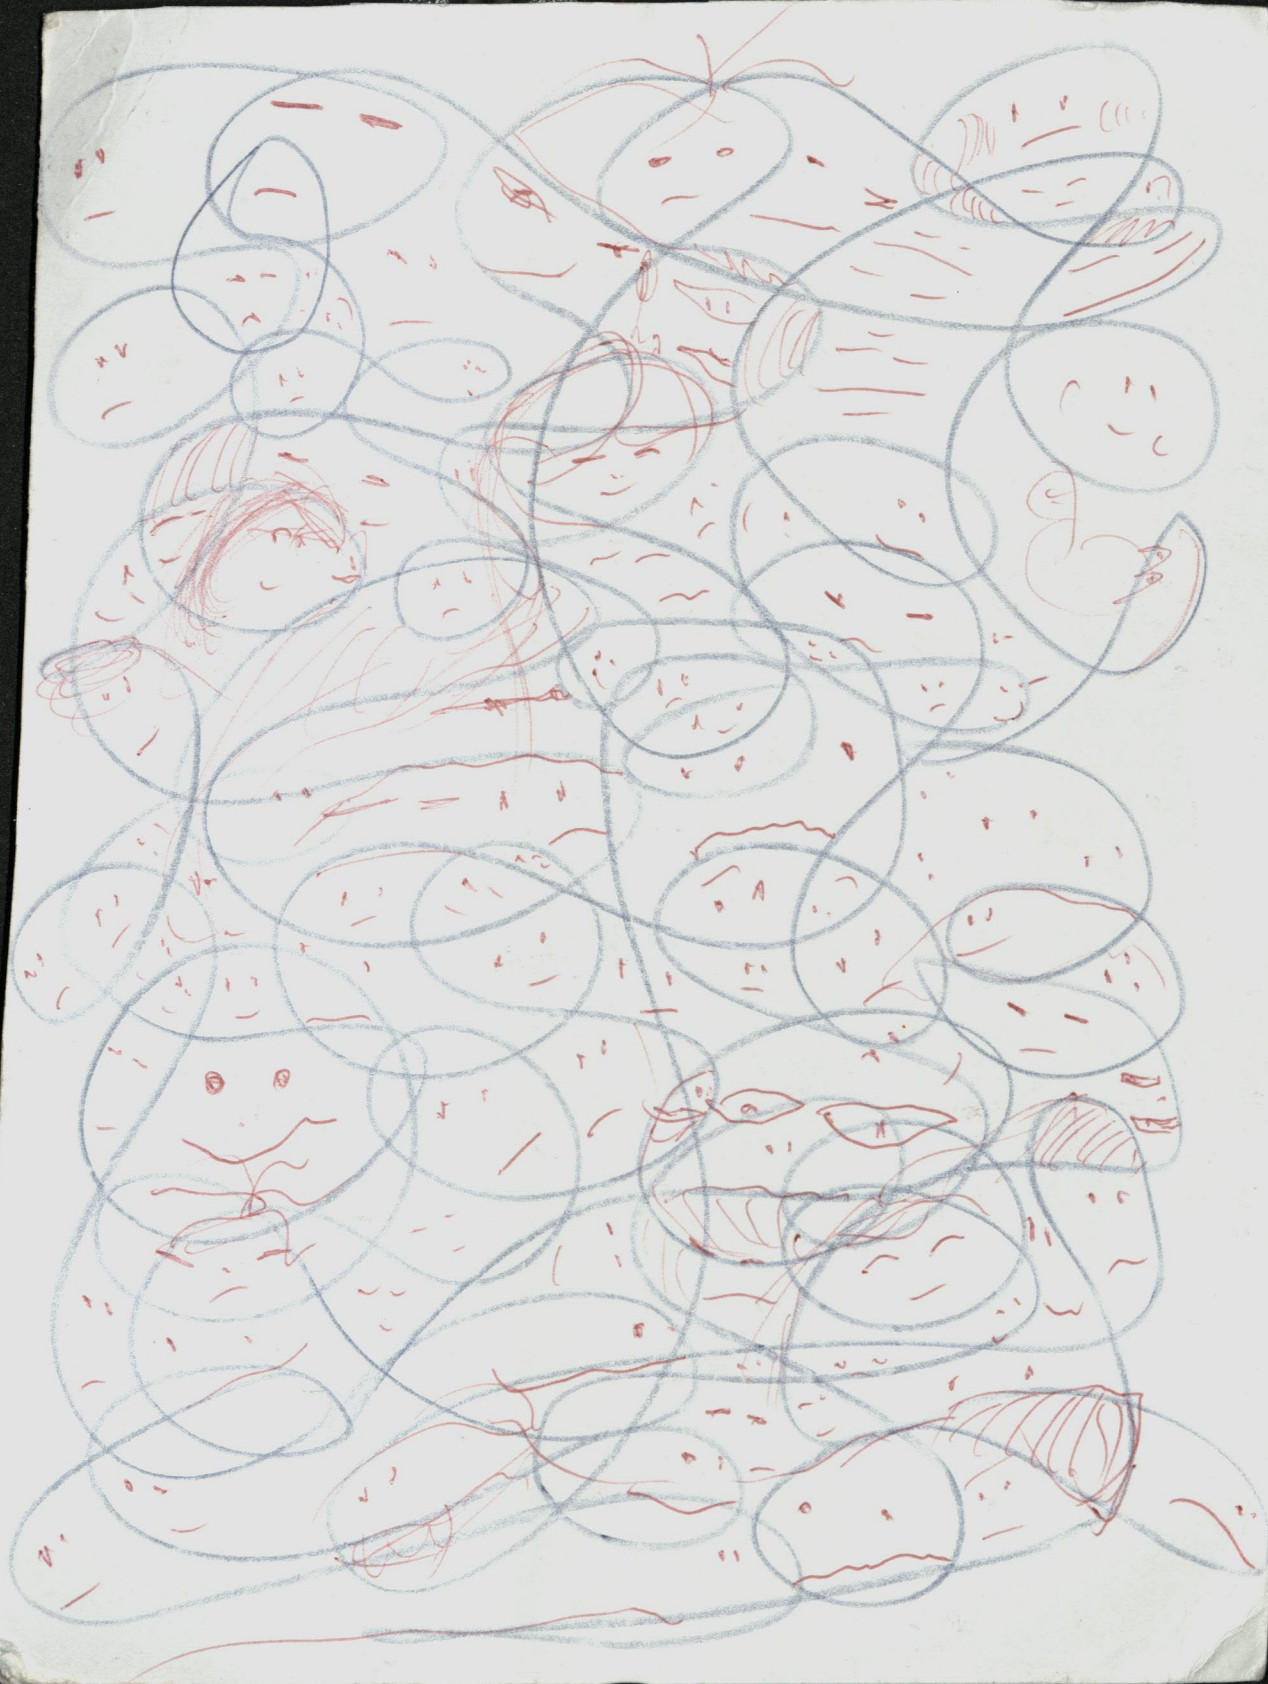

In 1892 to mark the 400th anniversary of *Columbus’* voyage, President Benjamin Harrison made a commemorative proclamation. But in 1905 it was Colorado that became the first state to observe Columbus Day. Since 1920 the day has been celebrated annually and in 1937 President Franklin Roosevelt proclaimed every October 12th as Columbus Day. It remained until 1971 when Congress declared it a federal public holiday on the second Monday in October.

1) "Artificial" med's; produced
dominantly for ~~the~~ profit;
(Research "Natural Healing" U.S.,
patent medicines (snake oil salesmen)
many of the original analogues;
such as "Valium" are fairly
safe, but increased analogues
